

## Scholarship Information

2016-2017

Dear Families,

Do you need help paying your child's preschool tuition? Urban Arts has two options available for families to receive scholarship funds and tuition assistance:

### **Child Care Assistance Program (CCAP)**

The preschool program at Urban Arts Academy is an authorized CCAP provider. CCAP can help make quality child care affordable for eligible families. If you are currently registered with CCAP, contact your worker to list UAA as your child's preschool provider.

For more information about receiving assistance through CCAP, please contact the CCAP program through MN DHS.

Phone: 612-348-4111

### **Pathway I Scholarship**

Urban Arts Academy is a 3 star rated program in the Parent Aware system by Think Small. Think Small provides scholarship money to eligible families to use at Parent Aware rated child care programs. Families who receive a scholarship through Think Small can use up to \$5,000 per child at Urban Arts to pay for tuition and fees.

For more information and application materials, please contact Think Small.

**Note: families are responsible for all tuition and fees until scholarship is awarded.**

Please let us know if you would like assistance filling out paperwork or have any additional questions about scholarships at UAA.

Sincerely,

Elizabeth Roach, Preschool Director
